

**Cell Phone Policy
Volta Elementary School**

Volta School **discourages** all students from bringing cell phones to school. Each classroom has adequate technology that enhances the learning environment for students and a cell phone is not needed for educational purposes. If a student is seen during the school day using a cell phone (including during lunch, recess and school functions) it will be taken from the student.

In cases of emergencies, all Volta students can use the Main Office phone to call parents and/or family members.

Order of Consequences when not following the above school policy:

1. A first offense results in a verbal warning.
2. A second offense results in the student picking up the cell phone from the Main Office after 3:00pm and signing a Contract of Agreement.
3. A third offense results in a parent picking up the cell phone from the Main Office after 3:00pm and signing a Contract of Agreement.
4. For all subsequent offenses, students and parents will face CPS Student Code of Conduct disciplinary action(s).

Volta School is **not responsible for lost, stolen, or damage done to cell phones brought to school by students.**
